

Handout 14: Suspension of Enforcement

When a court orders suspension of enforcement (also known as a stay of enforcement), unless it specifically states what it is staying, the suspension of enforcement is limited to court hearings and bench warrants. New Jersey Court Rules, Rule 5:7-10, governs the need to be specific when suspending enforcement.

1. Navigate to the **Enforcement Processes** page.
2. Select the yellow **NO** in the activity chain to be exempted.
3. Select the reason for the exemption and the end date (if applicable).
4. Select **Update** and repeat the process as necessary.
